AVAILABLE AISE STANDARDS AND TECHNICAL REPORTS

ASSOCIATION OF IRON AND STEEL ENGINEERS

Suite 2350, Three Gateway Center, Pittsburgh, PA 15222

April 1, 1982

These technical reports have been prepared by a representative committee comprised of users, manufacturers and the Association of Iron and Steel Engineers, who considered the technology available at the time of preparation. These reports do not represent either minimum acceptable standards or mandatory specifications. In addition, these reports are subject to compatability with all relevant local, state and federal requirements.

Standard No. 1 (Revised Sept. 1968)	**D-C Mill Motor Standards**	$4.00 U. S. & Canada 6.00 Other Countries
Standard No. 1-A (Revised Sept. 1964)	**A-C Mill Motor Standards** (Tentative)	$4.00 U. S. & Canada 6.00 Other Countries
Standard No. 3 (Feb. 1948)	**Standard for Machined Surface Finishes**	$3.00 U. S. & Canada 5.00 Other Countries
Standard No. 4 (Revised May 1974)	**Alloy Steel Chain & Alloy Steel Chain Slings for Overhead Lifting** (Tentative)	$8.00 U. S. & Canada 10.00 Other Countries
Standard No. 6 (May 1969)	**Specification for Electric Overhead Traveling Cranes for Steel Mill Service** (Tentative)	$20.00 U. S. & Canada 25.00 Other Countries
Standard No. 7 (Jan. 1976)	**Specification for Design of Ladle Hooks**	$12.00 U. S. & Canada 15.00 Other Countries
Standard No. 8 (Revised May 1974)	**Crane and Mill Auxiliary Drive Motor Cable Size Wiring Standard**	$7.00 U. S. & Canada 10.00 Other Countries
Standard No. 11 (Sept. 1972)	**Brake Standards for Mill Motors**	$5.00 U. S. & Canada 7.00 Other Countries
Technical Report No. 13 (Aug. 1979)	**Guide for the Design and Construction of Mill Buildings**	$50.00 U.S. & Canada 60.00 Other Countries

6% Sales tax on all books to be delivered in Pennsylvania. Rates subject to change without notice. All prices U.S. funds. Quantity prices on request. Booksellers' discount of 20% in U.S. and Canada and 15% in other countries will be allowed on all purchases. Prices include book rate mailing.
